Willie Rose  
 Plaintiff  
 v.

Heidi Washington, et al  
 Defendants

Hon. HALL Y. Jarboe  
 Magistrate MARTIN VERMAST  
 Case NO. 2:16-cv-242  
 Appeal NO: 21-2764 et al 21-2768  
 And pending "New" Appeal Notice  
 Amended version

Plaintiff Rose's objection / motion for  
Reconsideration, see ECF NO. 601, pg 5254-55

ON 8-18-21, Plaintiff Rose received AN ORDER denying Access to TRANSCRIPTS needed to make A prima facie case with documentation showing he was denied FAIR Access to The Court and A FAIR TRIAL AS A result of his First and Fourteenth Amendment U.S. Court Rights being violated by The Magistrate, ~~and~~ Defendants, ~~and~~ prison policies & due to Lack of Counsel, Lack of witnesses including expert witnesses.

In short, without Access to evidence as basic as The Transcripts, OF Court proceedings it is Impossible to Access The Court Fairly in order to show This Court or The High Courts the obvious plain errors that caused the unfair trial. The transcripts are needed very bad much so, so that Rose can locate A new Jail House Lawyer to help him, because Rose has been transferred to Retraction for seeking redress and as consequence lost Access to his Team of Jail House Lawyers and Typewriters, and ~~being~~ The only Jail House Lawyer here is very expensive with and based on conversations I've heard has not

that good and his problems that would make any human perform poorly.

Lastly, Rose declares that this Honorable Court Made an error by concluding that Rose's Request for Transcription of Court proceeding relies solely on The Judicial Conference of the United States policy, because (1) Rose Ask the Court to make an independent Finding of Fact Asking is it reasonable ~~for~~ to assume that Rose needs Transcription of Documents/Hearings to prove his claims of being subjected to ~~serious~~ unfair action that led to an unfair Trial; (2) Rose also asserts that this Honorable Court could have gave Rose access to these Transcripts by way of Taxation of Cost ~~of~~ considering Rose is indigent pursuant to 28 USC 1920, which holds more authority than W.D. Mich L. Civ R 83.2. In short, Rose is a prisoner and any reasonable Jurist & person in general would conclude that Rose's claims which even asserts Judicial Bias by the magistrates and misconduct by the Mich. Att. General's office - Ms. Peltz and Prison officials all well respected and clearly High positions of authority would definitely need documents to have a chance at proving good cause for granting a new Trial. Rose would appear once again like a clown blowing smoke. Rose needs these documents to get his new Trial where Lawyer prepared and Ready to lay out a indisputable claim that would get him a new Trial and Justice from the Defendants who remained at minimum. The Defendants damned almost Killed him and he gets to walk unpunished, he suffers no ~~less~~ punishment for damages. He's the worst out of everyone. Please give Transcripts as Relief

Respectfully Submitted
